

The Town of Norfolk has applied to MassDEP for a Request for Site Exam and Pumping Test for siting a new groundwater supply well to withdraw up to approximately 0.56 MGD of water from the ground of the Charles River Basin, in Norfolk, MA. The location of the withdrawal point is within the existing Gold Street well site off of Medway St.

Written comments on the granting of a MassDEP permit to conduct additional testing of the site for a new or expanded water supply withdrawal are to be filed within thirty (30) days of publication of this notice in the Environmental Monitor. The written comments are to be submitted to the Drinking Water Program Section Chief at the MassDEP Central Regional Office; 627 Main Street, Worcester, MA 01608.
