

NOTICE OF A REMEDY IMPLEMENTATION PLAN

**Central Auto Exchange, Inc.
1152 Washington Street, Stoughton, MA
RTN: 4-01154**

A **Remedy Implementation Plan** (310 CMR 40.0874) has been developed for the above site pursuant to the Massachusetts Contingency Plan (310 CMR 40.1406). This disposal site was classified as Tier I on 25 November 2003 and granted a Waste Site Cleanup Permit on 30 October 2000.

The **Remedy Implementation Plan** proposes the following measures to respond to a release of oil and/or hazardous material at this disposal site:

- Soil Remediation (via excavation and off-site recycling/disposal)
- Monitoring of Site Conditions

M.G.L. c. 21E and the Massachusetts Contingency Plan provide additional opportunities for public notice of and involvement in decisions regarding response actions at disposal sites: 1) The Chief Municipal Official and Board of Health of the community in which the site is located will be notified of major milestones and events, pursuant to 310 CMR 40.1403; 2) Upon receipt of a petition from ten or more residents of the municipality in which the disposal site is located, or of a municipality potentially affected by a disposal site, a plan for involving the public in decisions regarding response actions at the site will be prepared and implemented, pursuant to 310 CMR 40.1405

To obtain more information on this disposal site and the opportunities for public involvement during its remediation, please contact **Mr. Israel M. Livingstone, President, Central Auto Exchange, Inc., 1152 Washington Street, Stoughton, Massachusetts 02072 at 781-344-2300.**
