

**DEPARTMENT OF ENVIRONMENTAL PROTECTION
WATERWAYS REGULATION PROGRAM**

**Notice of License Application pursuant to M. G. L. Chapter 91
Waterways License Application Number W08-2463
City of Salem**

NOTIFICATION DATE: October 15, 2008

Public notice is hereby given of the application by City of Salem to construct and maintain a multi use transportation facility which includes a water transportation terminal and pier; and to dredge approximately 115,117 cy of sediment at 10 Blaney Street in the municipality of Salem in and over filled and flowed tidelands of Salem Harbor Designated Port Area. The proposed use of the project is to provide for commercial docking and access to navigable waters, provide for adequate water depths for safe berthing and navigation; and is a water dependent project.

The Department will consider all written comments on this Waterways application received by within 30 days subsequent to the "Notification Date". Failure of any aggrieved person or group of ten citizens or more to submit written comments to the Waterways Regulation Program by the Public Comments Deadline will result in the waiver of any right to an adjudicatory hearing in accordance with 310 CMR 9.13(4)(c).

Additional information regarding this application may be obtained by contacting the Waterways Regulation Program at (617) 292-5500. Project plans and documents for this application are on file with the Waterways Regulation Program for public viewing, by appointment only, at the address below. Written comments must be addressed to: David Slagle, Environmental Analyst, MassDEP Waterways Program, One Winter St., 5th fl., Boston, MA 02108.
