FEDERAL CONSISTENCY REVIEW NOTICE

The Massachusetts Office of Coastal Zone Management (CZM) Office is reviewing the proposals listed below for consistency with its enforceable program policies. Project proponents have filed a statement and accompanying information with the CZM Office certifying that their proposal is consistent with these policies. This information is available for public inspection at the CZM Office. Written comments may be submitted to the CZM Office within 21 days of the publication date of this *Environmental Monitor*. Anyone having technical questions regarding a particular project should contact the reviewer listed at the end of each notice below. Anyone having questions regarding the public comment process, or having comments on any project listed below should contact:

Jane W. Mead, Sr. Project Review Coordinator
Massachusetts Office of Coastal Zone Management
251 Causeway Street, Suite 900
Boston, MA 02114
617-626-1219

The Town of Ipswich is proposing to renew the NPDES permit from the Ipswich Wastewater Treatment Facility to discharge into the Greenwood Creek. Contact Todd Callaghan.

The U.S. Fish and Wildlife Service & Parker River National Wildlife Refuge are proposing to improve its contribution to various groups of wetland-dependent wildlife. Contact Bruce Carlisle and Kathryn Glenn.

The U.S. Army Corps of Engineers is proposing to reduce flooding conditions that have occurred in the downtown area of Central Cohasset and around Jacobs Meadow by restoring tidegate and drainage. Contact Jason Burtner.

New England Fishery Management Council is proposing an annual adjustment to management measures that includes changing the day-at-sea allocation schedule for 2003 to achieve Amendment 7 objectives and to achieve optimum yield. Contact Joe Pelczarski.
