Public Notice

Pursuant to 33 U.S.C. 1341 and M.G.L. c 21 §§ 26 - 53, notice is given of a 401 Water Quality Certification Application for improvements along Wahconah Falls Road (Back Dalton Road) at May Brook by the Dalton Fire District, 20 Flansburg Avenue, Dalton, MA 01226. This project will involve the installation of stormwater best management practices (BMPs) along 550' of the reconstructed road and replacement of the existing culvert to meet existing design standards. Additional information may be obtained from the Dalton Fire District at the above address, Attention Gilbert Rudd Jr., (413) 684-6124. Written comments should be sent to MassDEP, Division of Wetlands and Waterways, Attention Robert McCollum, Western Region, 436 Dwight Street, Springfield, MA 01103 within 21 days of this notice. Any group of ten persons, any aggrieved person, or any governmental body or private organization may appeal the Department's Certification. Failure to submit written comments before the end of the public comment period may result in the waiver of any right to an adjudicatory hearing.
